

Our Mission

The mission of EWN is threefold:

- To develop the business talents, capabilities, leadership, and skills of women business owners.
- To provide helpful information that will enable EWN members to run their businesses more effectively and efficiently.
- To provide a network that fosters the willing exchange of information with other women business owners who share similar experiences.

Founded by a small group of women in 1982, EWN continues to draw entrepreneurs who turn to it for information and inspiration.

Inspiration

"It's a high-energy group. I may arrive at a meeting unmotivated, but I always leave with renewed inspiration."

Value

"More valuable than I ever imagined it would be – it has brought me clients, knowledge and networking opportunities. EWN connections have become business associates, colleagues and friends."

"I'm amazed at the quality and professional level of the programs. Speakers and facilitators are top-notch! I always learn something I can apply to my business."
